

## My impression and experience of 3rd ASGO Workshop

Dugarsuren Yanjiv  
National Cancer Center  
Mongolia

First of all, I would like to thank organizers for giving opportunity young doctors like us participating ASGO workshop.

This workshop could give me not only new knowledge, new experience but also a lot of latest news. In other words, I would like to mention that it was very useful and worthwhile.

Additionally, I would like to participate such ASGO workshop again if it is organized.  
Participant of 3<sup>rd</sup> ASGO Workshop,

Dugarsuren Yanjiv
